

Matanot Aniyim - Gifts for the Poor: Leket

While Michael was harvesting his field, stalks of wheat fell to the ground. He left them for poor people to do the *mitzvah* of *leket*. Help the poor man reach the stalks that are *leket*, and then color in the rest of the picture.

* *Leket*: If one or two stalks fall during harvest, they are left for the poor (three are not *leket*).
