

Matanot Kehuna - Priestly Gifts: Bechor

Everyone on Betzalel's farm is very happy. The farm animals all gave birth for the first time! Betzalel invites Shmaaya the Kohen to take the firstborn animals, but forgets to tell him which animals to take. Follow the ropes tied to the firstborns and discover what belongs to the Kohen, and color in the picture.

* **Bechor**: It's a *mitzvah* for farmers to give their firstborn sheep, goat, or cow to a Kohen and to redeem the firstborn donkey.
