

Terumot and Ma'aserot: Ma'aser Sheni

Help Shmuel find his way to Jerusalem to eat his *ma'aser sheni* in purity. The right path only follows road signs with the years that we take *ma'aser sheni*. Good luck!

* **Ma'aser sheni**: Second tithe, set aside from produce. Eaten in purity in Jerusalem during years 1,2,4,5 of the *shemita* cycle. Today we can't eat *ma'aser sheni* in purity, so we transfer the holiness of the *ma'aser* to a coin, and then we can eat the fruit (vegetable/grain, etc.).
