# Matanot Kehuna – Priestly Gifts: Reishit Hagez

Shmaaya the Kohen took *reishit hagez*, the first wool, from the Yehudai family, but the small piece of wool got lost on the farm. Help him find the wool, and circle it in red. Then color in the rest of the picture.

* ***Reishit Hagez***: When shearing the sheep, we need to give the Kohen the first wool shorn.
