

Matanot Aniyim - Gifts for the Poor: Shichecha

Yossi, the poor man, came to the Yisraeli family's orchard to gather *matanot aniyim*, gifts for the poor. Help him find trees that the workers forgot to harvest. Draw a red line from Yossi to the olive trees he can pick, and color in the rest of the picture.

* **Shichecha**: This *mitzvah* applies in the field, orchard, and vineyard. The farmer may not go back and harvest an *omer* (bushel) or two forgotten in the field or one or two trees skipped during the harvest. This produce is for the poor people.
